Norcros plc AGM 2023- How to Appoint a Proxy

Any member wishing to vote at the meeting without attending in person or (in the case of a corporation) through its duly appointed representative must appoint a proxy to do so. Appointing a proxy will not prevent a member from attending and voting in person at the meeting should they so wish.

Unless otherwise indicated on the Form of Proxy, CREST or any other electronic voting instruction, the proxy will vote as they think fit or, at their discretion, withhold from voting.

A member can appoint a proxy by:

- logging onto <http://www.signalshares.com> and submitting a proxy appointment online by following the instructions. A member who has not previously done so will first need to register to use this facility (using the Investor Code detailed on the member's share certificate or otherwise available from the Company's registrar, Link Group – contact details below);
- via the LinkVote+ app; or
- submitting (if the member is a CREST member) a proxy appointment electronically by using the CREST voting service (in accordance with the notes below).

Paper proxy form - A member who would prefer a paper proxy form may request one from the Company's registrar by calling the helpline number below. A paper proxy appointment form must be completed in accordance with the instructions that accompany it and must be delivered (together with any power of attorney or other authority under which it is signed, or a copy certified by a notary or in some other way approved by the Board) to Link Group, PXS1, Central Square, 29 Wellington Street, Leeds, LS1 4DL.

Proxy deadline - All proxy appointments must be received by no later than 11.00 am on 24 July 2023 to be valid.

Contacting the Registrar - The Company's registrar, Link Group, can be contacted on +44 (0) 371 664 0300. Calls are charged at the standard geographic rate and will vary by provider, calls outside the UK will be charged at the applicable international rate. The lines are open between 09:00 – 17:30, Monday to Friday excluding public holidays in England and Wales.

CREST voting – CREST members who wish to appoint one or more proxies through the CREST system may do so by using the procedures described in the CREST voting service section of the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed one or more voting service providers, should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or a proxy instruction made using the CREST voting service to be valid, the appropriate CREST message (a CREST proxy appointment instruction) must be properly authenticated in accordance with the specifications of CREST's operator, Euroclear UK & International Limited (Euroclear) and must contain all the relevant information required by the CREST Manual. To be valid, the message (regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy) must be transmitted so as to be received by Link Group (ID RA10), as the Company's issuer's agent, by 11.00 am on 24 July 2023. After this time,

any change of instruction to a proxy appointed through the CREST system should be communicated to the appointee through other means. The time of the message's receipt will be taken to be when (as determined by the timestamp applied by the CREST Applications Host) Link Group is first able to retrieve it by enquiry through the CREST system in the prescribed manner. Euroclear does not make available special procedures in the CREST system for transmitting any particular message.

Normal system timings and limitations apply in relation to the input of CREST proxy appointment instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or a CREST sponsored member or has appointed any voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as is necessary to ensure that a message is transmitted by means of the CREST system by any particular time. CREST members and, where applicable, their CREST sponsors or voting service provider(s) should take into account the provisions of the CREST Manual concerning timings as well as its section on "Practical limitations of the system". In certain circumstances, the Company may, in accordance with the Uncertificated Securities Regulations 2001 or the CREST Manual, treat a CREST proxy appointment instruction as invalid.

Proxymity voting – If you are an institutional investor you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 11.00 am on 24 July 2023 in order to be considered valid or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proxymity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.
