and shall expire on the revocation or expiry (unless renewed) of the authority conferred on the Directors by resolution 11 in the Notice save that, before the expiry of this power, the Company may make any offer or agreement which would or might require equity securities to be allotted after such expiry and the Directors may allot equity securities under any such offer or agreement as if the power had not expired.

14. That the Company is generally and unconditionally authorised pursuant to Section 701 of the Companies Act 2006 to make market purchases (as defined in Section 693 of that Act) of ordinary shares in its capital provided that:

- (a) the maximum aggregate number of such shares that may be acquired under this authority is 8,037,011;
- (b) the minimum price (exclusive of expenses) that may be paid for such a share is its nominal value;
- (c) the maximum price (exclusive of expenses) that may be paid for such a share is the maximum price permitted under the Financial Conduct Authority's Listing Rules or, in the case of a tender offer (as referred to in those Rules), 5% above the average of the middle market quotations for an ordinary share (as derived from the Daily Official List of London Stock Exchange plc) for the five business days immediately preceding the date on which the terms of the tender offer are announced;
- (d) this authority shall expire at the close of business on 30 September 2020 or, if earlier, on the conclusion of the Company's next Annual General Meeting; and
- (e) before such expiry, the Company may enter into a contract to purchase shares that would or might require a purchase to be completed after such expiry and the Company may purchase shares pursuant to any such contract as if the authority had not expired.

15. That any general meeting of the Company that is not an Annual General Meeting may be convened by not less than 14 clear days' notice.

Any such representative should bring to the meeting written evidence of his appointment, such as a certified copy of a board resolution of, or a letter from, the corporation concerned confirming the appointment.
4. Any member wishing to vote at the meeting without attending in person or (in the case of a corporation) through its duly appointed representative must appoint a proxy to do so. Appointing a proxy will not prevent a member from attending and voting in person at the meeting should he so wish. A member can appoint a proxy by:

A member who has not previously done so will first need to register to use this facility (using the Investor Code detailed on the member's share certificate or otherwise available from the Company's registrar, Link Asset Services); or

If a nominated person has no such right or does not wish to exercise it, he may have a right under such an agreement to give instructions to the member concerned as to the exercise of voting rights. The statement in note 1 above of the rights of a member in relation to the appointment of proxies does not apply to a nominated person. Such rights can only be exercised by the member concerned.
6. Voting on all resolutions will be conducted by way of a poll, rather than a show of hands. This is a more transparent method of voting as members' votes are counted according to the number of ordinary shares held. As soon as practicable following the meeting, the results of the voting at the meeting and the numbers of proxy votes cast for and against, together with the number of votes actively withheld in respect of, each of the resolutions will be announced via a Regulatory Information Service and will also be placed on the Company's website: www.norcros.com.

The Company cannot require the member concerned to pay its expenses in complying with those sections. The Company must forward any such statement to its auditor by the time it makes the statement available on the website. The business that may be dealt with at the meeting includes any such statement.

After this time, any change of instruction to a proxy appointed through the CREST system should be communicated to the appointee through other means. The time of the message's receipt will be taken to be when (as determined by the timestamp applied by the CREST Applications Host) Link Asset Services is first able to retrieve it by enquiry through the CREST system in the prescribed manner. Euroclear does not make available special procedures in the CREST system for transmitting any particular message. Normal system timings and limitations apply in relation to the input of CREST proxy appointment instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or a CREST sponsored member or has appointed any voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as is necessary to ensure that a message is transmitted by means of the CREST system by any particular time. CREST members and, where applicable, their CREST sponsors or voting service provider(s) should take into account the provisions of the CREST Manual concerning timings as well as its section on "Practical limitations of the system". In certain circumstances, the Company may, in accordance with the Uncertificated Securities Regulations 2001 or the CREST Manual, treat a CREST proxy appointment instruction as invalid.

Explanatory notes

The Annual General Meeting of the Company will take place at 11.00 am on 23 July 2019 at The Mere Golf Resort & Spa, Chester Road, Mere, Knutsford, Cheshire WA16 6LJ. The notice convening that meeting, together with the resolutions to be proposed, appears on pages 111 to 114 of the Annual Report and Accounts 2019. The Directors recommend all shareholders to vote in favour of all of the resolutions to be proposed, as the Directors intend to do so in respect of their own shares (save in respect of those matters in which they are interested), and consider that they are in the best interests of the Company and the shareholders as a whole.

Explanatory notes in relation to the resolutions appear below. For the purposes of these notes, reference to 12 June 2019 in relation to the Company's issued share capital is a reference to the latest practicable date prior to the publication of the Annual Report and Accounts 2019.

Resolution 1

Report and accounts

For each financial year, the Directors are required to present the audited accounts, the auditor's report and the Directors' Report to shareholders at a general meeting. In line with best practice, shareholders are invited to vote on the receipt of the annual report and accounts for the financial year ended 31 March 2019 (the Annual Report and Accounts 2019).

Resolution 2

Approval of the Directors' Remuneration Report

In accordance with the Companies Act 2006, shareholders are invited to approve the Directors' Remuneration Report for the financial year ended 31 March 2019. The vote on this resolution is advisory only and the Directors' entitlement to remuneration is not conditional on it being passed.

The Directors' Remuneration Report is set out in full on pages 48 to 64 of the Annual Report and Accounts 2019. For the purposes of this resolution, the Directors' Remuneration Report does not include the Directors' Remuneration Policy which is set out on pages 50 to 56 of the Annual Report and Accounts 2019.

The Companies Act 2006 requires the Directors' Remuneration Policy to be put to shareholders for approval annually unless the approved policy remains unchanged, in which case it need only be put to shareholders for approval at least every three years. The Company is not proposing any changes to the Directors' Remuneration Policy approved at the Annual General Meeting in 2017.

Resolution 3

Dividend

The payment of the final dividend requires the approval of shareholders in general meeting. If the meeting approves resolution 3, the final dividend of 5.6p per ordinary share will be paid on 2 August 2019 to ordinary shareholders who are on the register of members at the close of business on 21 June 2019.

Resolutions 4 to 8

Election and re-election of Directors

Resolutions 4 to 8 relate to the retirement and election or re-election of the Company's Directors. The Company's Articles of Association require a Director who has been appointed by the Board of Directors to retire at the Annual General Meeting next following his or her appointment. Alison Littlely was appointed as a Director with effect from 1 May 2019. Consequently, she will retire from office at the Annual General Meeting and intends to stand for election by the shareholders for the first time.

The Company's Articles of Association also require certain Directors to retire from office at intervals, and that at each Annual General Meeting one third of eligible Directors must retire from office by rotation. Notwithstanding the provisions of the Articles of Association, the Board has determined that each of the remaining Directors shall also retire from office at the 2019 Annual General Meeting in line with best practice recommendations of the UK Corporate Governance Code. Each of the Directors intends to stand for re-election by the shareholders, with the exception of Jo Hallas, who will step down from the Board at the conclusion of the meeting.

The Board confirms that, following formal performance evaluation of all of the Directors (other than Alison Littlely), each of the Directors standing for election or re-election continues to be an effective member of the Board, to make a positive contribution and to demonstrate commitment to his or her role. The Board believes that the considerable and wide-ranging experience of the Directors will continue to be invaluable to the Company. Brief biographical details of all of the Directors standing for election or re-election can be found on pages 36 and 37 of the Annual Report and Accounts 2019.

Resolutions 9 and 10

Re-appointment and remuneration of auditor

The Company is required to appoint an auditor at each general meeting before which accounts are laid, to hold office until the end of the next such meeting. The Audit and Risk Committee has reviewed PricewaterhouseCoopers LLP's performance as auditor of the Company during the year and has recommended to the Board that it be re-appointed. The Audit and Risk Committee has also confirmed to the Board that its recommendation is free from third-party influence and that no restrictive contractual provisions have been imposed on the Company limiting its choice of auditor. PricewaterhouseCoopers LLP has indicated that it is willing to continue as the Company's auditor for another year. Accordingly, the Directors propose the re-appointment of PricewaterhouseCoopers LLP. Resolution 10 follows best practice in giving authority to the Audit and Risk Committee to determine the remuneration of the Company's auditor.

Resolution 11

Authority to allot shares

Most listed companies renew their directors' authority to issue shares at each annual general meeting. Such an authority was granted by the Company's shareholders last year and is due to expire at the conclusion of the 2019 Annual General Meeting. In accordance with best practice, this resolution seeks to renew the Directors' authority to allot shares.

Resolution 11, if passed, will renew the Directors' authority to allot shares in the capital of the Company up to a maximum aggregate nominal value of £5,358,007. This represents approximately two thirds of the Company's issued ordinary share capital as at 12 June 2019 and is within the limits prescribed by The Investment Association. Of this amount, ordinary shares up to an aggregate nominal value of £2,679,003 (which represents approximately one third of the Company's issued ordinary share capital as at 12 June 2019) can only be allotted pursuant to a rights issue.

As at 12 June 2019, the Company did not hold any shares in the Company in treasury. The renewed authority will, if passed, remain in force until the close of business on 30 September 2020 or, if earlier, the conclusion of the Company's next Annual General Meeting.

The Directors have no present intention of exercising this authority. The purpose of giving the Directors this authority is to maintain the Company's flexibility to take advantage of any appropriate opportunities that may arise.

Resolutions 12 and 13

Disapplication of pre-emption rights

The Directors are currently empowered, subject to certain limitations, to issue shares for cash without first offering them to existing shareholders in proportion to their existing shareholdings. That power will expire at the conclusion of the 2019 Annual General Meeting and, in accordance with best practice, resolutions 12 and 13 (which will be proposed as special resolutions) seek to renew the Directors' power to disapply pre-emption rights as referenced below and in line with the Statement of Principles published by the Pre-Emption Group in March 2015.

Other than in connection with a rights issue or other similar issue, the power contained in resolution 12 will be limited to ordinary shares up to a maximum aggregate nominal value of £401,850. This amount equates to approximately 5% of the issued ordinary share capital of the Company as at 12 June 2019.

In line with the Pre-Emption Group's Statement of Principles, the Directors are also seeking (at resolution 13) a power to issue up to an additional 5% of the Company's issued ordinary share capital for cash without pre-emption rights applying. In accordance with those Principles, the Company will only allot shares up to a maximum aggregate nominal value of £401,850 (representing 5% of the issued ordinary share capital of the Company as at 12 June 2019) on a non-pre-emptive basis under this power where that allotment is in connection with an acquisition or specified capital investment (within the meaning given in the Statement of Principles) which is announced contemporaneously with the allotment, or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

This renewed authority will, if passed, remain in force until the close of business on 30 September 2020 or, if earlier, the conclusion of the Company's next Annual General Meeting.

In accordance with the Statement of Principles (which is supported by The Investment Association and the Pensions and Lifetime Savings Association), the Board confirms its intention that no more than 7.5% of the Company's issued share capital will be issued for cash on a non-pre-emptive basis during any rolling three-year period, without prior consultation with shareholders. This limit excludes any ordinary shares issued pursuant to a general disapplication of pre-emption rights in connection with an acquisition or specified capital investment.

Resolution 14

Authority to purchase own shares

This resolution, which will be proposed as a special resolution, is to give the Company the flexibility to buy back its own ordinary shares in the market as permitted by the Companies Act 2006. The authority limits the number of shares that could be purchased to an aggregate maximum of 8,037,011 ordinary shares which represent approximately 10% of the Company's issued ordinary share capital as at 12 June 2019 and sets minimum and maximum prices. The renewed authority will, if passed, remain in force until the close of business on 30 September 2020 or, if earlier, the conclusion of the Company's next Annual General Meeting.

The Directors have no present intention of exercising the authority to purchase the Company's ordinary shares, but will keep the matter under review, taking into account other investment opportunities. The authority will be exercised only if the Directors believe that to do so would result in an increase in earnings per share and would promote the success of the Company and be in the best interests of its shareholders generally. To the extent that any shares so purchased are held in treasury (see below), earnings per share will be enhanced until such time, if any, as such shares are resold or transferred out of treasury.

Any purchases of ordinary shares would be by means of market purchases through the London Stock Exchange. If any shares are purchased, they will be either cancelled or held in treasury. Any such decision will be made by the Directors at the time of purchase on the basis of the shareholders' best interests. Shares held in treasury can be cancelled, sold for cash or, in appropriate circumstances, used to meet obligations under employee share schemes. Any shares held in treasury would not be eligible to vote nor would any dividend be paid on any such shares. If any ordinary shares purchased pursuant to this authority are not held by the Company as treasury shares, then such shares would be immediately cancelled, in which event the number of ordinary shares in issue would be reduced.

The Directors believe that it is desirable for the Company to have this choice. Holding the repurchased shares as treasury shares gives the Company the ability to re-issue them quickly and cost effectively and provides the Company with additional flexibility in the management of its capital base.

As at 12 June 2019, there were options over approximately 3.9 million ordinary shares in the capital of the Company, which represent approximately 4.9% of the Company's issued ordinary share capital. If the authority to purchase the Company's ordinary shares was exercised in full, these options would represent approximately 5.4% of the Company's issued ordinary share capital. As at 12 June 2019, the Company did not hold any shares in treasury.

Resolution 15

Notice of general meetings

This special resolution is required to preserve the ability of the Company to convene general meetings (other than Annual General Meetings) on not less than 14 clear days' notice, rather than on not less than the 21 days' notice which would otherwise be required. In order to do so, the Company's shareholders must approve the calling of such meetings on shorter notice. Resolution 15 seeks such approval.

The shorter notice period would not be used as a matter of routine for general meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of the shareholders as a whole.

The approval will be effective until the Company's next Annual General Meeting, when it is intended that a similar resolution will be proposed.
